

Huon Challenge Bulletin #4

April 2018

A huge thank you and congratulations to Huon Challenge paddlers and spectators. Your participation ensured the event was a resounding success. The good weather helped but your great spirit of adventure and obvious enjoyment created a terrific atmosphere for everyone involved.

The Derwent Storms Dragon Boat Club thoroughly enjoyed hosting the Challenge. We were very proud to showcase our state's iconic Huon Valley, including the stunning river and its magical Egg Island canal.

We hope those who stayed on enjoyed their Tassie sojourn. We really appreciate you making the trip south.

Event feedback: If you enjoyed yourselves, let us know. And if you have any suggestions for improvements next time, we want to hear that as well.
